Dear Property Owner:

RE: Plan to Minimize Impacts to Adjacent Landowners – Knaggs Ranch Acquisition

The Sacramento Valley Conservancy is considering the purchase 847 acres of the Knaggs Knags Ranch (Hershey Woods parcel shown on attached map) in the Elkhorn Basin and funded in part by the Department of Water Resources, Flood Protection Corridor Program (FPCP). One project requirement to qualify for FPCP funding includes the development of a draft "Plan to Minimize Impacts to Adjacent Landowners" (see attached). The Plan has been prepared for public review and comment with comments due June 27, 2008. The draft plan is enclosed for your review and is also available on the Flood Protection Corridor Website at www.dfm.water.ca.gov/fpcp.

Any comments or suggestions you may have may be submitted by the due date to the mailing address above or e-mailed to Earl Nelson at enelson@water.ca.gov.

Sincerely,

Earl Nelson, Chief
Flood Corridor Grants Section
